Vote for STEPHEN PAGE on Thursday 4<sup>th</sup> May 2017 Somerset County Council for Somerton and the surrounding villages

# Stephen Page's top six policies

• Economic Management - The Conservatives are continuing with their slash and burn approach to vital public services. They have indicated they will cut another £18 million from vital services. Liberal Democrats will invest in services and use Council assets to generate income and help the economic recovery in Somerset.

• Education & Culture - we need to promote and improve education, training and skills for everyone in Somerset. We need to protect and invest in our libraries and museums. We need to build an university hub for Somerset to provide the higher education and skills needed for the 21st century.

• Children's Services – we need to invest in the recruitment, retention and training of a permanent team of social workers and dramatically improve this key service for the most at risk young people in Somerset. Under the Conservatives this vital service has been rated by Ofsted as being inadequate since 2013.

 Adult Social Care – Somerset has an aging population. We need to find better ways to deliver care to some of our most vulnerable residents. We need to invest in critical home care services and Day Centres.

 $\cdot$  Transport - the Conservatives have failed to invest in highways and transport. Our country roads have suffered years of neglect and under funding. We need to invest in our local bus service and develop the railway network with new stations and access points

 $\cdot$  Environment – Somerset should lead the way in being a green county. We need to invest in green energy, transport, recycling, homes and flood protection.

## **SOMERTON U3A**

There is a mistaken impression that Somerton U3A is 'a lot of old women' who do very intellectual things! Not so! Firstly it is an organisation for both men and women and Somerton U3A is educational, informative, sociable and above all, fun. Obviously given the demographics of Somerton and the fact that the U3A is for retired and semi-retired people there will be a lot of silver haired members. However, the home page of the national organisation states that the movement "is a unique and exciting organisation which provides, through its U3As, life-enhancing and life-changing opportunities." This is so true in Somerton – we have around 500 members and over 50 interest groups ranging from Art to Walking. Every month we have a social coffee morning with speakers who have covered subjects as diverse as a pilgrimage to Jerusalem and the history of West Coker Rope Works taking in the Great Crane Project and Japan in Winter on the way! If you would like to sample what we have to offer, come along to the Edgar Hall at 10am on the fourth Friday of each month – you will be made very welcome. Alternatively you can look at our website – just put Somerton U3A into your search engine – you may be surprised! If you would rather speak to someone, the membership secretary can be contacted on 01458 272803.

## SOMERTON WEATHER REPORT AS RECORDED BY A LOCAL RESIDENT

Rainfall for month 66.5 mm – just over 2 ½ inches. We had some rain on 19/31 days.

## **NEW SERVICE AT BUTTERCROSS HEALTH CENTRE#**

As part of Symphony Healthcare Services, Buttercross Surgery has been one of the first GP practices in South Somerset to offer the services of musculoskeletal practitioners (MSK) to support existing GPs.

Musculoskeletal practitioners are physiotherapists who have additional experience and training in the management of a variety of soft tissue, joint and nerve related problems. They also work closely with orthopaedic consultants. These links are hugely beneficial in ensuring best practice.

The service offered at Buttercross is an assessment service to advise on the management of musculoskeletal conditions, without needing to see, or be referred by your GP first. If appropriate, the practitioners can organise further actions such as X-rays, scans, injections and courses of rehabilitation through referral to local physiotherapy departments.

If you feel you have a musculoskeletal problem, please discuss this with the Buttercross reception staff when booking your appointment and where possible they will book you in to see someone from the MSK team. Don't forget, you will be able to see them as a first contact without needing to book an initial appointment with your GP.

For more information on this service, or any questions about the other healthcare services at Buttercross, please can you call 01458 272473.

## SOMERSET GUILD OF CRAFTSMEN

#### WHAT'S UP NEXT AND WHAT'S COMING UP!

*Collaborations*, our next event in the shop in Wells. Showcasing some of the work that evolves when makers work together – often occurring after a "what if ..." comment in passing, that turns into much thought and discussion – eventually (after the long hours of designing, tooling and finishing) materialising into unique pieces that "sing" once captured on display.

## CHARITY THEATRE TRIPS TO BRISTOL HIPPODROME

Twelve popular trips in the first three months of this year have kept us pretty busy, but we have plenty more on offer.

We are now taking bookings for four very different new productions. English National Ballet are performing the Nureyev production of Prokofiev's ballet **Romeo & Juliet**. We are going on the evening of 23<sup>rd</sup> November.

**Take That – The Band**. a new musical follow-on from the TV programme *Let It Shine* starring the winners, has already nearly sold out in April 2018. We have been allocated a few tickets for Thursday 26<sup>th</sup> April. The **Dreamboats and Petticoats** musical features the greatest hit songs of the Rock'n'Roll era – pure nostalgia, for some of us anyway. We hope to go on Tuesday 25<sup>th</sup> July evening. Finally **Shrek the Musical** returns in August **2018** – we plan to go to the matinee on Thursday 16<sup>th</sup> August.

Last chance in May to be certain of a seat for Alexandra Burke in **Sister Act** on Thurs. 10 August and the Welsh National opera production of **Die Fledermaus** on Sat. 18<sup>th</sup> November.

Although some trips seem a long way ahead to book, you will get the best seats by booking early, and you can cancel without charge until the payment date, which is shown in the table if printed here, or on line at <u>www.theatretrips.webeden.co.uk</u>

Book on the website, or e-mail <u>coxtheatretrips@btinternet.com</u>, or phone 01458 273085.
