THE YEOVIL SEA CADETS AND ROYAL MARINES CADETS UNIT

Is a thriving unit of 80+ young people aged 9-18. We have a dedicated team of volunteer staff but are in need of some new trustees to join our small Unit Management Team. It is not an onerous role, but is vital to the unit's smooth running. Meetings are held every 6-8 weeks and rarely last longer than an hour. We are particularly interested in someone with fundraising experience but this is not essential. Please contact the chairman, Teresa Oulds on chairman@yeovilseacadets.com or 01458 270810 for a chat if you are interested. Our AGM will be held on 8th October at 7pm at the Ilchester Arms.

SOMERTON MUSIC & ARTS FESTIVAL 2019 AND 2020

Somerton Festival started way back in 1986 and for the first time in 2019 had a "Festival-in-a-Day" which was christened Somerstock with headline act Toploader. In addition to well over 1000 people at Somerstock the festival held the well attended Art & Photography exhibition, workshops in the town's schools, several in-town events in the Parish Rooms and St Michael's Church and the family fun day on Somerton Recreation Ground. The whole event was judged to be a great success, both in terms of community and financially, and Somerton Festival donated £1000 to St Margaret's Hospice.

Somerton Festival 2020 will stage its Art & Photography exhibition in the last week of May, family fun day on Sunday 5th July, in-town events the following week and ending with Somerstock 2020 on 11th July.

If you are interested in becoming part of the team which puts on Somerton's Music and Arts Festival the current small committee would welcome you! You don't even need to become a full member of the committee; if you'd be happier as part of a small support team, helping with things like the ticket office, publicity and promotion etc. we'd love to know. Contact us via the Somerton Music and Arts Festival website, our Facebook pages, or speak with an existing committee member. You can also contact us via Somerton's Council Office, just leave a message. And if you just can't wait for the next SMAF event. Oktoberfest at the Edgar Hall takes place on Saturday 12th October and tickets for what was a sell-out event in 2018 are on sale now (£14) at Palmer Snell in the Market Place, Somerton. Authentic live oompah music from the Sherbavarian Stompers, fun and games, dancing with Nevertheless, food and real German beer.

SMAF: ART AND PHOTOGRAPHY EXHIBITION 2020

Next year the exhibition will open on the 23rd of May and close on the 30th so if you are an amateur artist, photographer, sculptor or needle worker start thinking about what you are going to enter. We will also be running a variety of workshops throughout the week so keep an eye out in the Viaduct for what we have planned. Visit the website www.somertonartsfestival.co.uk for more information or if you wish to contact us, thank you Alex, Jackie and Lisa.

UPDATE ON SAVE KIRKHAM STREET FIELD GROUP OCTOBER 2019

Many thanks for your support on Sat 17th August at the Picnic in the Park on Kirkham Street Field.

We actually collected £1,258.91 on the day of which about £900 was profit for our campaign funds. See the cover photo taken by Phil Flowers. We are almost a charity now and hope soon to be able to open a bank account to collect donations for the purchase of the field.

We have had a meeting with a representative of Somerset County Council about the purchase and they have agreed to let us bid and providing we raise £750,000 within a year of becoming a charity they will transfer the ownership to the new Kirkham Street Field Community Trust.

We will need more campaign funds for planning for change of use; a solicitor for the legal work for the purchase and a design for the field layout. One way to increase our campaign funds is to have a £5 – 100 Club with 3 prizes of £50, £25 and £25 and a £10 - 100 Club with 3 prizes of £100, £50 and £50; both Club draws to be done at Christmas. If successful we hope to do new draws for Easter and September. Application forms for these will be available shortly and a box for these will be available in George James Est Agents office. Please put your form and cash in an envelope in the box there. We look forward to your support.

SOMERTON AND DISTRICT BOWLS CLUB

As the outdoor lawn bowls season comes to a close Somerton And District Bowls Club have much to celebrate. The club has had a very successful season being able to introduce a number of new members to lawn bowls and successfully competed in their ladies and mixed leagues including playing in a large number of friendly matches.

The ladies finished a creditable third in the South and West Somerset Ladies League and the ladies and men finished runners up in the Wessex Mixed Friendly League. This is a fantastic achievement for Somerton who last won this league in 1990 and were runners up in 1992.

The club has held successful club fund raising events during the season culminating in an end of season musical evening where members were entertained by the Shepton Mallet Ukulele Group and club member Ray Kelly held a musical quiz. The members enjoyed a sing song and lots of laughter.

The club held its finals weekend on the 6th and 7th of September. On both days the successful players who made it through to the finals of the club competitions entertained the spectators and supporters with some sparkling and accomplished bowling. The trophies will be presented at the club's presentation and dinner evening in October. Before that the club travel to Bournemouth for their annual bowls tour. On the tour bowlers get to play four matches against local clubs.

The club will be looking to strengthen the squad for the 2020 season. So the club extends a warm welcome to both new and accomplished bowlers who want to belong to a friendly but competitive lawn bowls club. For up to date information check out the club's web site www.somertonbowlsclub.co.uk.

DID YOU "RESPECT THE WATER" THIS SUMMER?

During the first week in July there were a number of tragic deaths in the waters around the UK & Ireland; when the weather is hot risks like cold water shock can put even strong swimmers in danger. Around 150 people die in UK & Irish waters each year and over half never even planned to enter the water.

The first weekend in June saw RNLI Lifeboat crew volunteers called out to 149 incidents in one of the hottest weekends of the year. RNLI beach lifeguards were also busy patrolling 243 beaches around the UK.

Please help us support these brave voluntary lifeboat men & women and the beach rescue teams by supporting one of our fund-raising events during the autumn.

BUTTERCROSS HEALTH CENTRE AND ILCHESTER SURGERY

Buttercross Health Centre, along with its branch surgery in Ilchester has received a 'Good' rating for all areas from Care Quality Commission (CQC) inspection in June 2019.

The final report, published in July 2019, recognises the positive progress and improvements that have been made across both locations of Somerton and Ilchester. The surgery teams were praised for providing a 'good' service across all areas including safe, effective, caring, responsive and well-led areas.

Inspectors found that 'care and treatment was provided in a safe way to patients and the practice continued to implement actions to improve the quality of care outcomes (QOF) and clinical management of long-term health conditions'. Inspectors also commented that 'feedback from patients was positive and staff were reported to be kind and caring'.

Julie Salter, Practice Manager at the surgery said "We are truly delighted to be awarded an overall 'Good' rating at the surgery. It is well-deserved recognition for the whole surgery team, who have worked with such dedication, enthusiasm and professionalism over the past few years. We are continuing to make improvements to our services and we would like to thank our patients and our Patient Participation Group for their on-going support and patience."
