We meet at West Street Church at 10.30 am on 2nd Friday of the month, alongside 'Coffee and more...' which provides a safe space where you can leave the one you care for while you attend our meeting. Please drop in or call Ivor on 01458 250603 for more details.

Help with Forms contact the health coaches at the Buttercross Medical Centre 272473 for a carer's pack or Somerset Carers Service on 01823 331222. If you have help filling in these forms you are more likely to be successful. Don't give up!

SOMERTON GOOD NEIGHBOURS

A small steering group is looking at ways to implement a Good Neighbours scheme in Somerton, following two successful public meetings late last year. Initially, the scheme will concentrate on known needs, like transport, dog walking, shopping/prescriptions, and befriending, and will, hopefully, help consolidate the many efforts that already exist into one centrally accessible service within the town. We are keen to contact anyone presently involved in informal or more organised schemes that operate in Somerton, with a view to learning from their experience taking this initiative forward. Our intention is to build on that experience to avoid duplication, so, if arrangements are working successfully, we would, for preference, signpost to them, although there are significant benefits from centralising administration and pooling resources, particularly volunteers.

Anyone interested in discussing this further please contact Sheila Crothers (crothers4@outlook.com) 01458 273287, or Ivor Dixon (levelopps@gmail.com) 01458 250603.

PLAYREADING AT THE LIBRARY

We are setting up a group of eight people to meet monthly in the library on Monday afternoons from 2pm. For anyone unfamiliar with the concept of Playreading, the group will read through a play suitable for the size of the group at the amount of time that we meet; this will be approximately three hours with a break half way. You don't need to be an actor or have any theatre experience – we merely read the play through.

The break will be for tea, coffee and cake provided in turn by the members of the group. If time permits the group will have the chance to talk about the play in terms of the plot and how much they enjoyed it and decide on plays for the future. The latter can be dramas, farces, comedies, light plays, serious plays – whatever we, as a group, feel we would like to read.

The cost will be £20 in total for a year's subscription to the Yeovil Library so that equates to just £2.50 a member if we have eight in the group. We are aiming to commence in April with meetings taking place on the third Monday, this being 20th April.

If you are interested in joining the group or would like more information, please either call Liz Short on 07988 974948 or email liz.short@yahoo.co.uk. Liz looks forward to hearing from you.

NOTICE TO ALL DOG OWNERS

There has been an increase in dog fouling around the town, this is not acceptable. All litter bins around the town are dual use and it would be appreciated if dog owners pick up after their dogs business, double bag the waste and deposit in one of the black litter bins.

Fiona Richardson STC, Chairman Access and Highways.

SAFE PLACES UPDATE

The Somerton Safe Places scheme, originally organised by SADAA (Somerton Area Dementia Action Alliance) in 2018, was designed to assist anyone who might get lost or disorientated in the town. Now, with reduced police involvement, an officer will only attend if there is a significant risk to someone's safety. This means we have to re-think the way the scheme works. It is proposed that responsibility shifts to a wider, Community-led group; the emphasis is on all vulnerable people, not only those living with dementia; and the aim is to produce a 'Safer Somerton', which is now the working title. If you, as an individual or representing a concerned organisation, want more details, contact Ivor Dixon (levelopps@gmail.com) or 01458 250603.

KIRKHAM STREET FIELD COMMUNITY TRUST (KSFC TRUST)

On 9th October the Charity Commission registered Somerton's new CIO Trust with the number 1185712.

You have received a leaflet detailing the developments for the Trust.

DONATIONS TO PURCHASE THE FIELD

We now have a bank account and can receive donations for the purchase of the field. £10 pays for approximately one square foot!

We need to build up funds from the local community for the purchase of the field to gain credibility with national grant funders that the people of Somerton fully support this project.

We hope to receive your donations now for the purchase of the field which can be left as cash or a cheque to Kirkham Street Field Community Trust in an envelope with your contact details in a box in George James Properties Estate Agents office in West Street or directly by bank transfer to: sort code: 608301 account number: 20418119.

Providing we have your details, if we do not raise enough to purchase the field, your money will be returned to you.

Once a month on Sat March 21st we will be available to accept your donations in West Street Church from 9.30 am till noon. There will be light refreshments. On Saturday 25th January we raised nearly £4,000. We raised over £10,000 from residents in January. Many thanks. See our updates on fundraising in George James Properties window.

We have contacted local businesses to see how they can help us with fundraising and applications to major fund raising organisations like the lottery and hope to meet with them over the next few weeks. If anyone has photos of the field in use in the past as a cricket field or as a festival venue can you please contact Margaret as she can use them in our submissions to grant fund organisations – her contact details are below.

FUTURE EVENTS

Sat 28th March Easter Bunny Hunt This will be on Kirkham Street Field from 10 am to 1 pm – entry per family £1.00. Each child who enters will get a small Easter Egg and there will be large Easter Eggs for those who complete the challenge – they will go into a draw. Donations for campaign funds will also be greatly appreciated.

Sat 1st August A New Picnic in the Park with refreshments and entertainment from 12 noon to 4 pm. Entry free but donations welcome for the campaign funds.

Both these events are with the kind permission of King Ina Academy. The field is still a school playing field – so no dogs.

Somerton has a dream - Now is the time to get working together to make the dream come true. If you want more information please contact Margaret Chambers on chambers_margaret@hotmail.com or Mo Fletcher on fletcher080@btinternet.com

Margaret Chambers: Chairperson of Kirkham Street Field Community Trust.

NEED FOR RED CROSS COLLECTORS

Langport & District Red Cross Group is appealing for collectors during the 2020 Red Cross Week, Sunday 3rd to Saturday 9th May. An hour or two of a volunteer's time during this week will be warmly welcomed and will help keep the Red Cross voluntary service running in this area. With all the new housing we need extra house-to-house collectors to cover as many as possible of the villages and towns in South Somerset, as well as volunteers to help for an hour or two holding a bucket at local shops. As the last remaining volunteer-run Red Cross Centre in the UK it is very important that we continue to raise funds to justify us remaining in operation.

Our centre in the main Langport car park is open every morning, except Sunday, where we sell donated goods and provide friendship and company over a hot, or cold, drink and a biscuit (or two!). Donations of items for sale are always welcomed. We also carry a small stock of disability aids for loan or purchase. Please contact Chris, the Group Leader, on 01458 273085 or e-mail to cox.cj@btinternet.com.

GREATEST CHALLENGE YET FOR SOMERTON LADIES

When the three of us, Bev Squire, Lynne Vincent and Mary Vardy, set out to walk the Inca Trail to Machu Picchu in November, we knew that the altitude of this trek was going to be a challenge. Reaching over 4,200 metres (nearly 14,000 feet) Dead Woman's Pass leaves you gasping at the scenery and for breath. At this altitude there is only half the amount of oxygen in the air and walking at this level is demanding. But it was all in aid of a good cause, and one which was well supported by the people of our town. Your support helped to keep us climbing when the going got tough. So, a huge "thank you" to you all, because you helped us to raise £9,126.61 for The Cystic Fibrosis Trust. See Cover photo.

SOMERTON GUIDING

We need somewhere to store our container for our camping stuff. The container needs 13 feet by 7 feet and hard standing. If you can help please contact Sally Snaddon on 01458 250879.

WE ARE UNDEFEATABLE SOMERSET

We Are Undeatable Somerset is a new local campaign, launched by Somerset Activity & Sports Partnership (SASP) with the aim of inspiring those living with long-term health conditions to be more active and move more. The need for this campaign came about when a country wide study showed that 1 in 4 people were living with a long-term condition and were more likely to be inactive as a result. The official launch of this campaign took place at The Beach Hotel in Minehead at the end of January, where the ambassadors shared their inspiring stories, as well as key speakers from Public Health, the Clinical Director for the Living Better Primary Care Network and also the SASP CEO. Following the launch and reveal of initial resources based on the Taunton and West Somerset ambassadors, additional content will be released over the coming months, introducing further ambassadors from Mendip, Sedgemoor and South Somerset. If you're interested in finding out more about this campaign and available activities, please visit www.sasp.co.uk/long-term-conditions.

SOMERTON SPEEDWATCH

Another month and although we are still reporting speeding drivers there are fewer than previous months. Needless to say when we aren't out too many people revert to their old selfish behaviour and speed up. Are you aware that your insurance policy probably doesn't cover you if you are involved in an accident while speeding, or don't you care? We ask you to consider your responsibility to others when you get behind a wheel and SLOW DOWN, it's easy and safer for everyone else. We will be around this coming month and hope to report even fewer people. If you are interested in making our town a safer place why not consider joining SpeedWatch, others have so please phone me David Cundle 01458897224.

Exclusive gig date announced to support local conservation charity

We are very excited to announce Somerset's very own ukulele group Wivelele and special guests Diving Duck, have agreed to support Somerset Wildlife Trust with a musical fundraiser in their home town of Wiveliscombe. Join them at Cotleigh Brewery on the 14th March at 7pm where they will be also encouraging other ukulele players to come along and join in with them on what promises to be a very special night.

As well as amazing live music, Cotleigh Brewery will be selling their award-winning wildlife themed craft beers. For a pound a ticket, you will also have the opportunity to win a limited edition hand-crafted Appalachian dulcimer worth £450 made by local ukulele player and Wivelele member Ian Husband. Tickets are priced at £7 (plus booking fee) for adults which will also include a complimentary bottle of Cotleigh Brewery's award-winning Tawny Owl beer. THE GREAT BRITISH SPRING CLEAN 21ST & 22ND MARCH

There is a national campaign, organised by Keep Britain Tidy that takes place every year, encouraging communities to take pride in their environment. Somerton has organised it's Community Litter Pick on 21st & 22nd March 2020 in association with Somerton Town council, South Somerset district council and Somerton's #2minutelitterpick volunteers.

Viaduct No. 197 - March 2020

It doesn't matter whether you are on your own or part of a group. Can give a whole or half day, or can only spare an hour. You can make a difference by picking up the plastic, cans and general litter that is ruining the beauty of our town and surrounding lanes. We will be aiming to cover as much of the town as possible. The litter is mainly on paths and pavements where you live, public footpaths and also in pockets where people like to congregate like the playing field, the play area and the car parks. We will be working in pairs and out on roads where there are pavements or a grass verge to walk along. We will meet up on both days at the Parish rooms in the Market place at 9.30am. We provide all the equipment, so come along and chip in.

To find out more about this event or our #2minutelitterpick volunteers, contact Gregory & Rachel on 07811491153 somerton.2minutelitterpick@gmail.com. We look forward to seeing you.
