D-Day Commemoration Events

Cllr Jackie Buckle had the pleasure of talking with many of our older Somerton residents who kindly shared their memories and articles relating to WW2.

The magnificent photo of Audrey Cole below celebrates her war work with the WAAF piloting airplanes from the manufacturing depot in Southampton to the many wartime airfields around the country.

Would you like to share your memories or do you have a family member who you could ask to recount their stories and then share their memories with us?

Calling all Evacuees, POW's , Land Army and members of restricted occupations. Find those stories and write them down so we do not lose our history. We owe an enormous debt to each and every one living or deceased, and we salute your sacrifice and courage.

We ask all Somertonians for any stories, pictures or artefacts that you would be willing to share with us on the weekend of 8-9th June 2024.

Please contact Cllr Jackie Buckle by calling 07789 074874, or email Jackie.buckle@somertontowncouncil.gov.uk

The Annual Parish Meeting is a meeting of all the local government electors for the Parish. Please come along and join us, refreshments will be available.

Somerton Best Front Gardens Competition 2024

Each year Somerton Town Council awards trophies and certificates to residents of Somerton who have “gone the extra mile” to ensure that their front garden is full of colour and ‘does Somerton proud’.

Members of Somerton Gardeners Club carry out the judging in June and submit the results to the Town Council. There are 10 members of the judging panel, and it takes over 100 hours to check every front garden in Somerton and then decide on the awards. There are four categories of garden: Traditional, Pots and Gravel, Pollinator Friendly and New-build (less than 5 years).

The awards ceremony is held at the Annual Flower Show, which is being held this year on the 17th of August at Edgar Hall.

To ensure that your garden is in with a chance, fill your garden with colourful blooms and watch out for the judges in June!

Somerton History Society

The next meeting is on Thursday 23rd of May. Come and find out if you would have sided with the Royalists or the Rebels at the Battle of Sedgemoor from military historian, James Porter. The meeting starts at 19:30 in the Paris Rooms. The doors will open from 19:00 for refreshments. Members attend for free, with guests very welcome at £4 per person.

'Everyone did their Bit'

The book includes stories from nearly one hundred people who lived in Somerton during the war, many of those who contributed have since passed on. They recounted their war stories as soldiers, sailors, evacuated children, factory workers, nurses and from many others. The stories were collated by local lady Nancy Schooling (formerly Langmaid), but this was a community effort to ensure this part of Somerton's history lived on. Copies are now being sold in remembrance of D-Day + 80 years.

The book is available to purchase from Stationery House in the Market Square at the nominal cost of £5.00 per copy to cover the cost of producing the book.

LTG continues to lead the way in reopening a station for the Somerton and Langport area. The group bid in March for Great Western Railway (GWR) Customer and Community Improvement Funding (CCIF) to

support two pieces of research to further strengthen the case for the reopened railway station to serve Somerton and Langport on the main line between Castle Cary and Taunton. The group continues to work collaboratively with stake holders such as Somerset Council.

The business case has been described as compelling showing sufficient pathways exist on the line for a new service. Specialist consultants will now need to develop further detail on how an operator could serve the station with a particular service.

Have your say....

Age UK Somerset is looking for friendly people in our area who would like to get involved with making life happier for local older people.

As we get older, living alone and lacking the confidence or mobility to get out of the house can lead to anxiety, low mood and devastating loneliness. To solve these issues local charity Age UK Somerset have two wonderful free schemes running here - **Walk and Talk** which matches a volunteer with an older person for a weekly gentle walk and chat, and **Wellbeing Friends** where a volunteer visits each week to offer some friendly company. However, they are **desperate for volunteers to lend a hand** and they have waiting lists for both services. If you can spare an hour a week (flexible) and would like to make a difference in your community please contact them by emailing volunteers@ageuksomerset.org.uk or by calling 01823 345627

Somerset Sight is a local charity that has been supporting sight impaired people across Somerset for over a hundred years and in 2019 we proudly won the Queens Award for Voluntary Service.

We are looking for volunteers across Somerset to work one-to-one with sight impaired people.

Our befriending service volunteers visit regularly to provide companionship and support to people with sight impairment. We offer full training and support, and pay all reasonable out of pocket expenses, including mileage.

If you would like to know more about joining our friendly team, please contact us on 01823 333818 or email: admin@somersetsight.org.uk

Further information about us can be found on our Facebook page @somersetsight and on our website: www.somersetsight.org.uk
