## **CHRISTIAN AID WEEK 2015: YET ANOTHER RECORD COLLECTION!**

A huge thank you to everyone in Somerton who gave so generously in Christian Aid Week in May, and to our wonderful team of collectors.

Astonishingly, we have raised a total of £3,729.52 - another record sum!

A large amount of the money raised this way last year was sent to Nepal on the same day that the earthquake hit, buying emergency kit like water purification tablets and tarpaulins for shelter. It also helps people in hidden emergencies which don't appear in the news, as well as helping some of the poorest people in the world to escape from poverty, regardless of race, religion or gender. On their behalf, THANK YOU!

## **FOOD WASTE RECYCLING TRIAL**

A campaign to encourage more recycling of food waste by 115,000 households in Somerset has proved a major success. Based on earlier trials in Street and Wellington, food waste recycling in Taunton Deane, Sedgemoor and the Chard-Ilminster area of South Somerset jumped 20%.

If that rate is maintained, an annual extra 1,570 tonnes of food will be recycled, saving Somerset council tax payers £51,000 every year. All food waste in Somerset is transformed into electricity and agricultural compost for local farmers at an anaerobic digestion plant near Bridgwater.

As well as saving money, recycling food avoids it decaying for decades in landfill and giving off the potent greenhouse gas methane that contributes to climate change. For more information see : [www.somersetwaste.gov.uk/collections/food/liners](http://www.somersetwaste.gov.uk/collections/food/liners).

## **LIFE IN FLOWERS FESTIVAL AT THE UNITED REFORMED CHURCH**

A big thank you to everyone who supported this event during the Music and Arts Festival. Many complimentary comments were made about the beautiful arrangements and donations for Sightsavers were generous. In the end we were able to send cheques totalling £260.00 to this important charity.

## **VILLAGE HALLS SAY VAT IS A TAX ON VOLUNTARY EFFORT**

The National Village Halls Forum says volunteers should not have to fundraise to pay VAT bills on improvement work to charity run community facilities. The Forum, which campaigns on behalf of 10,000 community buildings in rural England, is urging the Government to introduce tax breaks and support for volunteer trustees. The Forum has identified that small amounts of carefully directed Government funding will help volunteer trustees provide facilities that are more financially viable, support new social enterprises and help improve the economy and social fabric of rural areas. The Forum is asking firstly for the refund of VAT paid on improvement projects, secondly for finance

**Fly tipping / waste carriers licence:** Due to the fly tipping in and around Somerton we request that residents check the waste carriers licence of anyone who is going to dispose of your garden or household waste. This will ensure it will be disposed of at refuse recycling depots or licensed waste sites.

- **Vulnerable Adults:** We have received a request that STC have a Vulnerable Adults Coordinator. STC consider this to be a specialist role that is better served by County or District Council Officers, however STC will review its safeguarding policy to ensure that vulnerable adults are included.

It was agreed that these are accepted in principle. There are currently investigations about the day on which it can be held.

## **PRESS RELEASE - INCREASE IN FREE CAR PARKING SPACES IN SOMERTON**

Somerton Town Council will be increasing the number of free car parking spaces in Somerton. The planned changes resulting from the car park strategy will provide additional free parking spaces to encourage more visitors to the town, supporting the shops and businesses to thrive.

The agreed proposal is to standardise all free parking at 4 hours, an increase from the current 3 hours. However, there is an option to review this in the autumn to coincide with the planning application process, for the demolition of the doctors surgery and creation of 44 additional free car park spaces.

The planned changes will bring an additional cost of £9000 per annum to the town. Rather than increase the burden on the Council Tax payers, the Council has agreed that a nominal charge of £1 for 5 hours or £2 per day will be made at the Paddock House car park **only**. The Paddock House car park is situated away from the main visitor/shopper parking areas. However, for those who park their cars whilst at work in the town, a parking permit supplied by Somerton Town Council will be available for a nominal administration fee of £1 per week. Permit parking will be identifiable by blue lining and the allocated 40 spaces will be distributed by 10 bays in Paddock House car park, 15 in the Half Moon car park and 15 in the Yarlinton car park (a designated permit holders car park).

The Council confirms that there are no plans to introduce charges elsewhere in the town, and indeed the number of free parking spaces will be increased. Its intention is help the town to thrive by attracting visitors and shoppers and hope that the free additional 49 parking spaces will contribute to this, with limited cost to rate payers. Once implemented the Car Parking Scheme will be reviewed after 12 months.

For more information please contact: Terry Philpott, Somerton Town Council, Edgar Hall, 8 Cary Court, Somerton Business Park, Somerton, TA11 6SB. Telephone 01458 272236 email:town.clerk@somertontowncouncil.gov.uk
