INDOOR CHARITY GALA FOR GUIDE DOGS FOR THE BLIND

At Huish Leisure Centre on Sun 7th Feb. An amazing £1,530 was raised on the day, all to be donated to The Guide Dogs for the Blind.

The Gala was an amazing success, and far busier than I could ever imagined. Lots of hard work, planning and organising all paid off when I looked around and saw how busy the hall was and how much fun the kids were having. I would like to thank EVERYONE who helped to make the event a huge success, especially Huish Leisure for allowing the event to be held there and the use of the bouncy castle, one of the kids' favourites! The centre managers James and Jane, were fabulous and extremely helpful. All the businesses that made donations for the raffle which was super.

Thanks to the businesses that sponsored some of the stalls to enable all of the money taken on the day to be donated to The Guide Dogs, especially H & M Motors and George James Properties Ltd, and all the people that made games, baked cakes and loaned me items to use on the day. Thanks to all my family and friends and team of helpers - without them there simply wouldn't have been a Gala. But most of all thank you to everyone that came along and had fun and supported me in raising money for this amazing charity. Thanks to the Western Gazette and BBC Radio Somerset for advertising and supporting me. Next is to clock up the miles - ready for the Yeovil Half Marathon as part of my training for the London Marathon. The picture on the front of last month's Viaduct of Dad, me and Webster the dog in front of King Ina Infants was very kindly taken by Phil Flowers who has been a great support in my fundraising. SLIMMER SOMERTON - WITHOUT ANY HUNGER!

Just over two years ago, I was given the opportunity of taking on the Slimming World group in Somerton.

Based up at Edgar Hall on a Monday evening, within a matter of weeks, the group became too large for just the 7.30pm session and so we opened a 5.30pm group too. Now the evening is so busy, I will have opened a morning session by the time you are reading this! Tuesdays at 9.30am, also at Edgar Hall is the new session time which will maybe appeal to those who struggle to make the Monday evening groups, or would simply find it more convenient.

Slimming World's unique Food Optimising Plan allows your appetite to be completely satisfied while still losing the extra pounds you do not wish to carry around with you. Men, women and teenagers have all seen their wellbeing and health improve as their weight comes off in these fun and friendly sessions. There is no humiliation and the setting is completely confidential - there are

no strangers there - just friends you haven't met yet - all there for the same reason and that is to lose weight and feel great.

So whichever session suits you best, if you have 7lbs or more to lose why not come along and see what a warm welcome you'll get at Slimming World, Somerton. Together we can achieve amazing results, For more information call Anya on 07971 957691

SOMERSET LEVELS AND MOORS SHEDS (SLAMS)

The Men's Shed Project aims to reduce the social isolation that older men experience when there is an upheaval in their life, and improve their physical and mental wellbeing, by giving them an interest with some practical activities where they can work 'shoulder to shoulder' with other men. It will eventually operate across the Levels and Moors and now has a Hub Shed (opening 29 January) at Burrowbridge.

You can read more about SLaMS on their website <http://levelopportunities.org.uk/sheds> or for further information, contact: Ivor Dixon T: 01458 250603 mobile: 07976 308302

EXTRA RECYCLING PLANNED TO REDUCE RUBBISH

Residents in Somerset could see changes to their recycling and refuse collection service in the next few years if plans by the county's six councils go ahead.

Proposals for extra recycling materials - plastic pots, tubs and trays; Tetra Pak-style cartons; small electrical items; household batteries - to be collected weekly would see far less in rubbish bins. Trials of three-weekly collections with the extra recycling achieved significant success, with much more recycled, far less rubbish and an overwhelming majority of those taking part backing the new system. Landfilling Somerset's rubbish costs £12 million a year.

ABBIE'S CHARITY HAIR CUT

Our seven year old daughter, Abbie Faith Astall is raising money by having seven inches of her gorgeous long dark hair cut off. The hair will be donated to the Little Princess Trust, a charity who make and provide wigs for children who have lost their hair through cancer and other illnesses.

The haircut will take place on 26 March 2016. It was Abbie Faith's idea - she came to us just before Christmas, saying she would love to give her hair to poorly children. Here are Abbie Faith's sponsor details: www.justgiving.com/Jennie-Goodland TEXT: TLPT59 to 70070

Abbie Faith attends King Ina Infant School in Somerton and within the school we are organising a fundraising event (cake sale, raffle and tombola - date to be announced after half term).

WARNING TO RESIDENTS: POTENTIAL SCAM PHONE CALLS

It has been brought to our attention that scam phone calls are taking place in South Somerset, mainly around the Wincanton area.

A gentleman from a phone number which cannot be traced is calling residents claiming to be from either "South Somerset District Council", "Wincanton Town Council" or "South Somerset County Council" and wanting to speak about a recent accident you may have had.

If you have given over personal details, we would advise you to call the Police straight away on 101 and report the matter as an identity theft scam. The Police will also direct you to the Action Fraud helpline". Action Fraud can be contacted directly on 0300 123 2040.

THANK YOU

Margaret, Sandra, Michael Plowman and Family and Poppy the dog would like to thank everybody for the messages of sympathy after the sudden death of Geoff. They would also like to thank everyone who attended the funeral and for the kind donations received; £450 was raised for the British Heart Foundation.

DRAMATIC SOCIETY'S PRODUCTION OF "ANNIE"

After the disappointment of not being able to present the Pantomime, we are very glad to report that the musical production of "Annie" is well on track and tickets are now available in Palmer Snell. There will be 5 performances, 4 evening and one matinee on the Saturday, during the schools Easter holidays in April. The dates are: Wed 6th, Thurs 7th, Friday 8th and Saturday 9th. Evening performances will commence at 7.30pm and the matinee at 2.30pm. Tickets are £8, with concessions for children 12 and under at £6.

Annie has lived in an Orphanage for 11 years, and decides to escape to look for her long lost parents. She befriends a dog and names her Sandy - however the police pick her up and return her to the Orphanage. Before she receives a beating from the tyrannical spinster in charge of the Orphanage, Grace Farrell, secretary to the billionaire industrialist Oliver Warbucks, arrives to choose a child to spend Christmas at this home. Annie is chosen and is driven off to the Warbucks' Fifth Avenue Mansion. This is the start of a magical time for Annie, so just sit back and enjoy our production as we bring this story to life.

A CONCERT WITH SIMEON WOOD

Following the overwhelming success of the performance by The Sons of Pitches in January, Somerton Music and Arts Festival are excited to announce that our next event is a concert with the immensely talented Simeon Wood. Simeon is a brilliant multi-instrumentalist who studied at Trinity College of Music in London, and now performs professionally all over the world.

Each piece of music is introduced by an interesting and often amusing anecdote be it a light classical piece, a well-known contemporary tune or something of his own composition, these played on instruments as diverse as the penny whistle or the mighty bass flute, via the panpipes and the didgeridoo. Simeon is a talented musician and this concert in St Michaels' Church on Saturday 16th April starting at 7.30 pm is one not to be missed. Tickets at £8 from Palmer Snell from Saturday 12th March. Tickets will be £10 on the door.
